

Dear [redacted]

Will you be a godparent to [redacted] ?

This is a great privilege and an important responsibility. You must take the role seriously and carry it out to the best of your ability. Accompany your godchild on each stage of her spiritual life: support your godchild with prayer as he or she prepares to receive First Communion and the fullness of God's Holy Spirit in Confirmation. Pray regularly that your godchild will remain faithful to God.

To understand your responsibility, read the passages from the Canon Law and the Catechism of the Catholic Church at [lourdesleigh.org/baptism-rules](http://lourdesleigh.org/baptism-rules)
